

# AGGIE JUMP START

Start your successful student experience with the College of Agricultural and Environmental Sciences' (CA&ES) newest program, Aggie Jumpstart. Meet with other students, staff and faculty who are passionate about addressing barriers that prevent the full participation of first-generation, low-income and underrepresented minority Aggies.

As a Jumpstart student, you will:

- Get to know other new UC Davis students
- Connect with CA&ES academic advisors and Career Discovery Group (CDG) classmates
- Engage with various campus centers to build community and meet new people
- Develop leadership skills
- Have fun and receive gift cards to local stores and restaurants upon full participation in the program
