Explore your interests and gain hands-on experience in agriculture, environment, human needs and social sciences at the College of Agricultural and Environmental Sciences (CA&ES). Choose from any of our 28 majors and 40 minors, including an exploratory/undeclared option. You will be learning from today’s top scientists and faculty at an internationally-recognized school with outstanding academics and a diverse, active student community.

This guide will help you get to know all of our majors and choose the one that will help you follow your passion and begin your career path.

**MAJORS**

Agricultural and Environmental Education  
Animal Biology  
Animal Science  
Animal Science and Management  
Atmospheric Science  
Biotechnology  
Clinical Nutrition  
Community and Regional Development  
Ecological Management and Restoration  
Entomology  
Environmental Horticulture and Urban Forestry  
Environmental Policy Analysis and Planning  
Environmental Science and Management  
Environmental Toxicology  
Food Science  
Global Disease Biology  
Human Development  
Hydrology  
International Agricultural Development  
Landscape Architecture  
Managerial Economics  
Marine and Coastal Science  
Nutrition Science  
Plant Sciences  
Sustainable Agriculture and Food Systems  
Sustainable Environmental Design  
Viticulture and Enology  
Wildlife, Fish, and Conservation Biology  
Undeclared/Exploratory Program

**MINORS**

Aging and Adult Development  
Agricultural Pest Management  
Agricultural Systems and Environment  
Animal Science—Animal Biology  
Animal Science—Animal Genetics  
Animal Science—Aquaculture  
Animal Science—Dairy/Livestock  
Animal Science—Equine  
Atmospheric Science  
Avian Sciences  
Climate Science and Policy  
Community Development  
Community Nutrition  
Contemporary Leadership  
Environmental Horticulture  
Environmental Policy Analysis and Planning  
Environmental Toxicology  
Food Service Management  
Forensic Entomology  
Fungal Biology and Ecology  
Geographic Information Systems  
Geographic Studies  
Global Disease Biology  
Human Development  
Hydrology  
Insect Biology  
Insect Ecology and Evolution  
International Agricultural Development  
International Science Studies  
Landscape Restoration  
Managerial Economics  
Medical–Veterinary Entomology  
Nematology  
Nutrition and Food  
Nutrition Science  
Precision Agriculture  
Science and Society  
Soil Science  
Watershed Science  
Wildlife, Fish, and Conservation Biology
Agricultural and Environmental Education
Gain a foundation in agricultural and environmental sciences, as well as educational theory and practice, by attaining skills in teaching, communications and outreach.

Careers:
- Academic advisor/counselor
- Agriculture curriculum writer
- Agricultural extension educator
- Community organizer/advocate
- Environmental science educator
- High school agricultural education teacher
- Museum educator/docent/outdoor education specialist
- Writer/journalist
- Youth development educator
- Agricultural sales and/or marketing

Specializations:
- Agricultural Business and Economics
- Animal Science
- Applied Biological Systems Technology
- Environmental Horticulture
- Environmental Science and Natural Resources
- Plant and Soil Science

Contact Information:
1202 Meyer Hall
530-754-7915
asac@ucdavis.edu
animalscience.ucdavis.edu/asac/aee-major.html

Animal Biology
Use the process and principles of science, contemporary thinking in biology and a team approach to solve problems of a biological nature.

Careers:
- Epidemiologist
- Fisheries/wildlife biologist
- Geneticist/molecular biologist/genomics
- Physician/health professions
- Professor
- Research scientist
- Teacher/educator
- Veterinarian
- Zookeeper/zoo manager

Contact Information:
160 Hutchison Hall
530-754-7277
abi-advising@ucdavis.edu
ucdavis.edu/majors/animal-biology

Animal Science
Learn about the biology, management and utilization of domestic and captive animals by focusing on modern, efficient and humane ways to make the best use and care of the animals people encounter on a daily basis.

Careers:
- Animal caretaker/zookeeper
- Animal nutritionist
- Aquaculturist
- Farmer/rancher
- K-12 teacher
- Livestock producer/breeder
- Pharmaceutical sales representative
- Technical service representative
- USDA or state inspector
- Veterinarian

Specializations:
- Animal Science with a Disciplinary Focus (Behavior, Biochemistry, Genetics, Nutrition or Physiology)
- Aquatic Animals
- Avian Sciences
- Companion and Captive Animals
- Equine Science
- Laboratory Animals
- Livestock and Dairy
- Poultry

Contact Information:
1202 Meyer Hall
530-754-7915
asac@ucdavis.edu
animalscience.ucdavis.edu/asac/ans-major.html

Animal Science and Management
Incorporate marketing, economics and accounting skills into businesses and careers working with animals and related agricultural industries.

Careers:
- Agriculture commodity analyst
- Animal health/veterinarian
- Farmer/rancher
- Feed/pet store manager
- Livestock production manager
- Marketing specialist
- Owner/operator of animal-based businesses
- Pet food manufacturer
- Pharmaceutical sales/consultant
- Small animal facility manager

Specializations:
- Aquatic Animals
- Companion Animals
- Dairy
- Equine
- Livestock
- Poultry
- Individualized

Contact Information:
1202 Meyer Hall
530-754-7915
asac@ucdavis.edu
animalscience.ucdavis.edu/asac/anm-major.html
**Atmospheric Science**
Discover how humans and ecosystems interact with weather, climate and air quality. Gain a predictive understanding of the atmosphere to guide decisions about Earth's most important natural resource—the air we breathe.

**Careers:**
- Air quality specialist/scientist
- Atmospheric chemist
- Atmospheric science researcher
- Broadcast meteorologist
- Climate scientist
- Educator
- Environmental scientist
- Meteorologist
- Renewable energy consultant
- Weather forecaster

**Contact Information:**
1150 Plant and Environmental Sciences Building
530-752-1603
lawradvising@ucdavis.edu
lawr.ucdavis.edu

**Biotechnology**
Focus on the mechanics of life processes and their applications to improve human and animal health, food safety, energy production and environmental quality. This multidisciplinary field has an impact on almost every aspect of modern human life.

**Careers:**
- Biofuel specialist
- Bioinformatics
- Biomedical engineer
- Food scientist
- Genetic counselor
- Microbiologist
- Molecular biologist
- Pharmacist
- Physician
- Plant breeder

**Specializations:**
- Animal Biotechnology
- Bioinformatics
- Fermentation/Microbiology
- Plant Biotechnology

**Contact Information:**
1220 Plant and Environmental Sciences Building
530-752-1715
biotechmajor.ucdavis.edu

**Clinical Nutrition**
Apply principles of nutrition to guide people to eat healthier diets by means of nutrition therapy, education and research in hospitals, schools or communities. Fully accredited.

**Careers:**
- Dietetic technician
- Nutrition educator
- Food and drug investigator
- Food safety specialist
- Food service director
- Health and wellness educator
- Nurse/physician's assistant
- Degreed nutritionist
- Nutrition policy analyst
- Registered dietitian

**Contact Information:**
3202 Meyer Hall
530-752-2512 or 530-752-7094
nutritionadvising@ucdavis.edu
nutrition.ucdavis.edu

**Community and Regional Development**
Build skills to manage communities and understand and shape economic and sociocultural forces transforming organizations.

**Careers:**
- Attorney
- Community development coordinator
- Community organizer and advocate
- Economic development analyst
- Human resource manager
- Nonprofit administrator
- Public service
- Social entrepreneur
- Social worker
- Urban and/or regional planner

**Specializations:**
- Global Communities
- Organization and Management
- Policy, Planning and Social Services

**Contact Information:**
1303 Hart Hall
530-752-2244
hcd.ucdavis.edu
Ecological Management and Restoration
Manage and restore wild and rangeland plant communities by gaining an understanding of how natural and managed ecosystems function and interact with human society.

Careers:
- Environmental restoration practitioner
- Environmental scientist
- Farm/rangeland manager
- Natural resource manager
- Natural resources conservation specialist
- Naturalist/outdoor education specialist
- Parks or forest botanist
- Rangeland ecologist
- Reserve manager
- Restoration ecologist

Contact Information:
1220 Plant and Environmental Sciences Building
530-752-9770
plantsciences.ucdavis.edu

Entomology
Gain an understanding of insects and their diversity while focusing on the importance of insects to science, the economy, environment and public health.

Careers:
- Agricultural inspector
- Apiculturist (beekeeper)
- Biosecurity
- Educator
- Forensic scientist
- Insect biologist
- Integrated pest management consultant
- Medical/veterinary entomologist
- Museum curator
- Pest control advisor

Contact Information:
150 and 152 Hutchison Hall
530-754-7277
entomology.ucdavis.edu

Environmental Horticulture and Urban Forestry
Improve the environment and quality of life through floriculture, urban forestry and landscape restoration. Also gain an understanding of plant production, management and biology.

Careers:
- Botanical garden manager
- Certified arborist
- City forester/urban forester
- Greenhouse/nursery manager
- Irrigation engineer
- Landscape contractor
- Native plant propagator
- Restoration practitioner
- Revegetation consultant
- Seed producer

Specializations:
- Floriculture/Nursery
- Urban Landscape Management
- Plant Biodiversity/Restoration

Contact Information:
1220 Plant and Environmental Sciences Building
530-752-9770
plantsciences.ucdavis.edu

Environmental Policy Analysis and Planning
Cultivate skills in evaluating environmental policy, transportation and planning, and natural resource management. Develop a deep understanding of the legal, economic, political and scientific issues involved in policymaking.

Careers:
- Air pollution analyst
- Energy policy specialist
- Environmental advocate
- Environmental attorney
- Legislative aid/legislator
- Natural resource analyst
- Transportation planner
- Urban and/or regional planner
- Water quality specialist
- Writer/journalist

Specializations:
- City and Regional Planning
- Climate Change Policy
- Conservation Management
- Energy and Transportation Planning
- Environmental Policy and Politics
- Integrative Policy
- Water Management

Contact Information:
2134 Wickson Hall
530-752-7183
desp.ucdavis.edu
Environmental Science and Management
Explore the interaction of physical, chemical, biological and social components of environmental problems. Gain an understanding of the natural science behind environmental problems and how science impacts environmental decision-making.

Careers:
- Atmospheric scientist
- Conservation biologist
- Ecologist
- Environmental attorney
- Environmental educator
- Environmental impact specialist
- Geographic Information Systems analyst
- Natural resource manager
- Soil scientist
- Watershed manager

Specializations:
- Climate Change and Air Quality
- Ecology, Biodiversity, and Conservation
- Geospatial Information Science
- Natural Resource Management
- Soils and Biogeochemistry
- Watershed Science

Contact Information:
2134 Wickson Hall
530-752-7183
desp.ucdavis.edu
or
1150 Plant and Environmental Sciences Building
530-752-1603
lawr.ucdavis.edu

Environmental Toxicology
Learn about environmental toxins, their environmental fate and their impact on humans and other species. Understand how the use of environmental toxins is regulated and monitored.

Careers:
- Biohazard specialist
- Environmental attorney
- Environmental chemist
- Environmental compliance analyst
- Environmental consultant
- Forensic scientist
- Pharmacist
- Physician
- Public health scientist
- Risk assessment analyst

Specializations:
- Ecotoxicology and Environmental Chemistry
- Forensic Science and Regulatory Toxicology
- Molecular and Biomedical Toxicology

Contact Information:
4111 Meyer Hall
530-752-1042
etox.ucdavis.edu

Food Science
Explore innovative approaches to grow, process, package, store and distribute food while building skills to improve the convenience, nutrition, safety, stability, sustainability, taste and value of foods. Institute of Food Technologists (IFT) approved program.

Careers:
- Brewmaster
- Chemist
- Food production/supply chain manager
- Food safety specialist
- Microbiologist
- Process development engineer
- Product development scientist
- Quality assurance specialist
- Sales/purchasing representative
- Sensory scientist

Specializations:
- Brewing Science

Contact Information:
1204 Robert Mondavi Institute–South Building
530-752-3250
bftvadvising@ucdavis.edu
foodscience.ucdavis.edu

Global Disease Biology
Recognize and solve disease-related challenges on a global scale by studying the health connections between people, animals, plants and the environment.

Careers:
- Epidemiologist
- Food safety specialist
- Genetic counselor
- Health policy maker
- Physician/registered nurse
- Plant pathologist
- Public health expert
- Science writer/journalist
- Veterinarian
- World Health Organization associate

Contact Information:
150 Hutchison Hall
530-754-4131
gdb-advise@ucdavis.edu
gdb.ucdavis.edu
Human Development
Understand interactions among biological, psychological, social and contextual processes in humans throughout the life cycle.

Careers:
- Child care director
- Community health educator
- Counselor/psychologist
- Human resources director
- Humanitarian services
- K-12 teacher
- Nurse
- Physical therapist
- Physician
- Social worker

Contact Information:
1303 Hart Hall
530-752-2244
hcd.ucdavis.edu

Hydrology
Study the occurrence, distribution and composition of water. Build skills to sustainably manage water quantity and quality.

Careers:
- Hydrologist
- Environmental scientist
- Environmental consultant
- Hydrogeologist
- Limnologist
- Wastewater treatment planner
- Water hygiene engineer
- Water policy analyst
- Water quality specialist
- Water resources engineer

Contact Information:
1150 Plant and Environmental Sciences Building
530-752-1603
lawradvising@ucdavis.edu
lawr.ucdavis.edu

International Agricultural Development
Explore ways that culture, economics and technology affect agriculture and build the skills and knowledge to help produce and distribute food to the people of emerging economies.

Careers:
- Agribusiness manager
- Community organizer and advocate
- Corporate sustainability officer
- Economist
- Educator
- Farmer/rancher
- International aid worker
- International development practitioner
- Pest control advisor
- Public interest advocate

Specializations:
- Agricultural Production
- Environmental Issues
- Rural Communities
- Trade and Economic Development

Contact Information:
1238 Plant and Environmental Sciences Building
530-752-4839
plantsciences.ucdavis.edu

Landscape Architecture
Design and plan landscapes and built environments that support desired ecological functions, integrate sustainable and regenerative technologies, and foster resilient, equitable and inclusive communities. Curriculum based on design studio work. Fully accredited.

Careers:
- Landscape architect
- Landscape ecologist
- Urban designer/planner
- Architectural designer
- Garden designer
- Ecological restoration planner
- Parks and recreation designer/manager
- Urban forestry specialist
- Horticultural designer/specialist
- Landscape construction manager

Contact Information:
135 Hunt Hall
530-754-8628
humanecology.ucdavis.edu/
landscape-architecture-major
Managerial Economics
Gain a thorough grounding in economic theory and practical business applications. Cultivate skills in quantitative methods, problem-solving strategies, critical thinking and effective communication that lead to promising careers in the business industry.

Careers:
- Accountant
- Agribusiness manager
- Analyst
- Entrepreneur
- Environmental planner
- Financial services consultant
- International consultant
- Investment banker
- Marketing/sales manager
- Stock/commodity broker

Specializations:
- Agribusiness Economics
- Business Economics
- Environmental and Resources Economics
- International Business Economics

Contact Information:
1176 Social Sciences and Humanities
530-754-9536
manecon@primal.ucdavis.edu
manecon.ucdavis.edu

Marine and Coastal Science
Use foundational knowledge in marine sciences to understand the modern issues facing aquatic and coastal environments.

Careers:
- Aquaculture specialist
- Aquarium operations management
- Coastal geologist
- Ecotoxicologist
- Environmental chemist
- Fisheries biologist
- Marine biologist/ecologist
- Ocean/coastal policy coordinator
- Oceanographer
- Watershed planner

Specializations:
- Coastal Environmental Processes
- Marine Environmental Chemistry

Contact Information:
2119 Earth and Physical Sciences
530-752-9100
mcs-advisers@ucdavis.edu
marinescience.ucdavis.edu/
programs/mcsci

Nutrition Science
Study food components, their biologic actions and how to promote healthy diets and impact nutrition policy and public health.

Careers:
- Community nutritionist
- Educator
- Food and drug investigator
- Food scientist
- Laboratory staff researcher
- Nurse
- Nutrition policy analyst
- Pharmacist
- Physician
- Public health analyst

Specializations:
- Nutritional Biology
- Nutrition in Public Health

Contact Information:
3202 Meyer Hall
530-752-2512
530-752-7094
nutritionadvising@ucdavis.edu
nutrition.ucdavis.edu

Plant Sciences
Learn how plants grow and develop in managed agricultural ecosystems and how plant products are utilized for food, fiber and environmental enhancement.

Careers:
- Agronomist
- Farm operations manager
- Farmer/rancher
- Horticulturist
- Pest control advisor
- Plant breeder
- Plant geneticist
- Postharvest technology manager
- Precision agriculture specialist
- Seed producer

Specializations:
- Crop Production
- Plant Breeding and Genetics
- Plant Sciences Individual Option
- Postharvest Biology and Technology

Contact Information:
1220 Plant and Environmental Sciences Building
530-752-1715
plantsciences.ucdavis.edu
Sustainable Agriculture and Food Systems
Address the environmental, social and economic challenges and opportunities associated with agricultural and food systems sustainability.

Careers:
• Agriculture policy analyst
• Community organizer
• Educator
• Farmer/rancher
• Food systems management
• International development
• Organic crops grower
• Permaculture specialist
• Small farm consultant
• Sustainability coordinator

Specializations:
• Agriculture and Ecology
• Food and Society
• Economics and Policy

Contact Information:
1152 Plant and Environmental Sciences Building
530-752-1602
asi.ucdavis.edu/programs/safs

Sustainable Environmental Design
Prepares students to be leaders and practitioners in the pursuit of more sustainable communities. Emphasizes critical thinking, problem-solving, leadership, and application of design and planning strategies to create more livable, equitable and ecologically sound communities.

Careers:
• Environmental designer
• City or regional planner
• Sustainability manager/ coordinator
• Ecological restoration specialist
• Geographic information systems (GIS) specialist
• Environmental policy analyst
• Environmental educator
• Community development coordinator
• Transportation planner
• Architectural designer

Contact Information:
135 Hunt Hall
530-754-8628
sed.ucdavis.edu

Viticulture and Enology
Study biological and physical aspects involved with grape and wine production and gain hands-on experience with grape growing and winemaking practices.

Careers:
• Cellar manager
• Chemist
• Enologist/laboratory manager
• Marketing specialist
• Microbiologist
• Sales representative
• Sensory scientist
• Tasting room manager
• Vineyard manager
• Winemaker

Contact Information:
1204 Robert Mondavi Institute–South Building
530-752-3250
bftvadvising@ucdavis.edu
wineserver.ucdavis.edu

Wildlife, Fish, and Conservation Biology
Understand the relationships between the needs of wildlife, people and the environment and how these relationships are vital for the maintenance of ecological diversity, recreational resources and food supplies.

Careers:
• Aquaculture specialist
• Conservation biologist
• Educator
• Environmental attorney
• Fisheries biologist
• Forest/park ranger
• Marine biologist
• Veterinarian
• Wildlife biologist
• Zoo biologist

Specializations:
• Fish Biology
• Wildlife and Conservation Biology
• Wildlife Health
• Individualized

Contact Information:
1086 Academic Surge
530-754-9796
wfbadvising@ucdavis.edu
wfb.ucdavis.edu
Undeclared/Exploratory Program
Explore academic options, personal interests, strengths and career goals. This pre-major advising program assists students in defining and focusing academic interests.

Contact Information:
150 Mrak Hall
530-752-0108
caesadvising@ucdavis.edu
caes.ucdavis.edu

UC Davis Admission Requirements
ucdavis.edu/admissions/undergraduate
UC Davis offers a rigorous and rewarding academic environment, so make sure you meet or exceed our admission requirements to increase your chances for success in our college.

Apply
ucdavis.edu/admissions/undergraduate/apply
The UC application for undergraduate admission and scholarships is available on August 1 and can be submitted November 1–30.

Financial Assistance
financialaid.ucdavis.edu
Financial aid options are available for students at all income levels. Explore how scholarships, grants, work-study and other forms of assistance can help you reach your academic goals.

CA&ES Undergraduate Academic Programs
caes.ucdavis.edu/students
CA&ES offers a supportive network of faculty, staff and peer advisors who will provide you with advising from the moment you step on campus until graduation. We offer a variety of programs and classes, such as Career Discovery Groups, to help you explore majors and careers, define your educational goals and provide guidance to help you stay on track. We also offer opportunities for you to connect with fellow students and gain leadership skills through events and student organizations, such as Aggie Ambassadors.

Internships
icc.ucdavis.edu
Our students explore potential careers through internships both on and off campus. Students can build on classroom learning and get their hands dirty in our facilities, greenhouses, laboratories and on the Student Farm. Students also try out jobs in industry, in environmental endeavors and with community organizations. The UC Davis Internship and Career Center will help you get hands-on experience and find your career direction.

Career Discovery Groups
caes.ucdavis.edu/students/cdg
Career Discovery Groups, a partnership between the CA&ES and the Internship and Career Center, give freshmen and first-year transfer students an opportunity to explore career possibilities and make academic choices for future success.

Aggie Jumpstart
caes.ucdavis.edu/students/aggie-jumpstart
Aggie Jumpstart is a new CA&ES program created to promote inclusive academic excellence and student success through community building, leadership and advising. In partnership with the Retention Initiatives and the Internship and Career Center, Aggie Jumpstart works to address barriers for first-generation, low-income and underserved students and provides students a network of UC Davis staff, faculty and other campus communities.
## Preparatory Subject Matter at a Glance

This chart shows some lower division prep course work across our 28 majors. Many of our majors’ lower division prep courses overlap, which means you can explore various interests while still making progress toward your intended major.

You can also use this chart to determine which majors match your own interests in certain subjects. Take some time to consult the General Catalog and/or reach out to our academic advisors to learn more about specific majors and degree requirements.

If you are looking to transfer, use assist.org to find available lower division courses at your community college to make progress in your intended major. Completing these lower division courses at your community college will help you dive into your upper division course work upon transferring.

This chart does not include all preparatory subject matter. For more information, review the General Catalog for more details on university, college and major requirements. [catalog.ucdavis.edu](catalog.ucdavis.edu)
