

Returning to UC Davis

COLLEGE OF AGRICULTURAL & ENVIRONMENTAL SCIENCES DEAN'S OFFICE | 150 MRAK HALL

Advising Hours: M-F 9am-12pm and 1:30pm-4:00pm except Wednesday mornings

530-752-0108 | CAESADVISING@UCDAVIS.EDU

As you prepare for your return to UC Davis, you may require some additional assistance. The resources listed below are designed to help you with your transition back to UCD, in addition to any other recommendations listed on your Readmission contract. More information is available on the CA&ES website:

<http://www.caes.ucdavis.edu/students/advising/enrollment/readmission>. Our office is here to support you as you apply for readmission. Here are some services to be aware of:

1. READMISSION

Students in the college should consult with an academic advisor in the CA&ES Dean's Office to develop a plan to return to UC Davis or explore alternative educational options. In order to readmit, you **must** submit an application for readmission via OASIS. Details and deadlines are available at **<https://registrar.ucdavis.edu/registration/return/readmission.cfm>**. To schedule an appointment with an academic advisor in the Dean's Office go to **<https://appointments.ucdavis.edu>**. If you have challenges scheduling an appointment, please call our office at **(530)-752-0108**.

2. ACADEMIC ADVISING

Even while you are away from UC Davis, you are encouraged to keep in contact with your academic advisor(s) for assistance. If you decide to change your major, we strongly encourage you to meet with an advisor from the department to which you wish to change into for course planning and advising. This continued advising will position you for successful next steps in your academic plans.

3. SUMMER SESSIONS

During this time, you are eligible or may be required to enroll in courses during the summer. **Note:** Courses taken at UC Davis in summer will count towards your overall UC GPA. Consult with your major department or Dean's Office before selecting courses. In order to attend summer courses, you must submit a UCD Summer Session application. Summer session schedules are projected in mid- March. For more information about UCD Summer Sessions, call **(530) 752-7611** or check online at **<https://summer-sessions.ucdavis.edu>**.

4. ASSIST.ORG

If you plan to attend a California community college during your time away from UC Davis, you may compare course equivalencies between UC Davis and any California community college online at **www.assist.org**. This site may be particularly useful if you plan to complete part of your degree requirements while away. Consult with an academic advisor for further details. **Note:** courses taken at community colleges do not affect your UC GPA.

5. COUNSELING SERVICES

To schedule an initial appointment, call Student Health and Counseling Services Appointment Line at **(530) 752-2349** during business hours. If you have previously worked with a SHCS counselor, please contact your counselor via Health E-Messaging (HEM) for an appointment, as well as to address any follow-up services needed. You can also find more information on their website at **<https://shcs.ucdavis.edu/counseling-services>**. In the case of urgent matters, visit Acute Care on the first floor of the Student Health and Wellness Center during business hours. Call **911** or visit a local emergency department for any emergency concerns.

6. STUDENT DISABILITY CENTER

If you are in need of academic accommodations and support services, it is recommended you schedule an appointment with the Student Disability Center at **(530) 752-3184** or <https://sdc.ucdavis.edu/index.html>.

7. SERVICES FOR INTERNATIONAL STUDENTS AND SCHOLARS (SISS)

If you are an F-1 or J-1 international student, contact SISS immediately to discuss how your change of enrollment status will affect your current immigration status in the U.S. and review your options (grace period, leaving the U.S., possible transfer, etc.). SISS is located on the third floor of the International Center at the corner of California Ave and Russell Blvd. They can be reached by phone at **(530) 752-0864** and more information is available on their website at https://siiss.ucdavis.edu/students/current_students/leaving-ucdavis.html.

8. ACCESS TO CAMPUS SERVICES

While not enrolled, many campus services will not be accessible such as the Activities & Recreation Center (ARC), Student Health and Wellness Center, Student Housing facilities, and/or Shields Library. It is recommended that you follow up with these departments to ensure your services are reactivated upon readmission.

9. EMAIL ACCOUNT

Access to your UC Davis email account may be affected until you have been officially readmitted. If preferred, check online for information on forwarding your email <https://itcatalog.ucdavis.edu/service/email-forwarding-live>

10. FINANCIAL AID AND SCHOLARSHIPS

If you are receiving any financial aid or scholarships, you should contact the Financial Aid and Scholarships Office to inquire how your change of enrollment status will impact you. If you have any questions about your financial aid, send a message through Contact an Expert at <https://students.my.ucdavis.edu> or visit <https://financialaid.ucdavis.edu/contact.html> for additional contact information.

Readmission general timeline:

Step 1: Contact the Dean's Office

Step 2: Review Registrar's Office website for detailed information and deadlines

Step 3: Apply for readmission

- Once application is received by CA&ES Dean's Office, an academic advisor will reach out to student acknowledging receipt of application and listing detailed readmission conditions
- If classes are in progress, a decision will be made only after official grades are posted

Step 4: Obtain an updated academic plan from your major advisor or intended major advisor

Step 5: Submit official transcripts to the Dean's Office

Step 6: If readmission is approved, the Office of the Registrar will re-active students' account and assign a registration pass time for the upcoming quarter.

Step 7: If readmission is denied, the CA&ES Dean's Office will follow-up with details about future readmission.

NOTE: During the readmission process, students are encouraged to check in with the Financial Aid office if they plan to receive aid upon readmission.
